- Bachelor of Dental Surgery – King's College London (2011 – 2016)

Professional Experience:

Manchester Codes Software Engineering FastTrack – (*May 2022 – expected finish October 2022*)

- ✉ A 24 week part-time immersive bootcamp taught by current Software Developers, many of whom are graduates from the programme
- ✉ Currently studying full-stack development including: HTML, CSS, JavaScript, Git, React, APIs, Express.js, MySQL and much more
- ✉ Will be completing various projects along the course

Associate Dentist at Poppies Dental Care, Stretford - (*April 2022-present*)
GDC no. 265009

- 🦷 I am working part time as a predominantly NHS dentist whilst studying at Manchester Codes
- 🦷 I am up to date in my current CPD cycle
- 🦷 I deal with a variety of patients of all ages, with all problems and questions and am professional, efficient, and friendly whilst managing fears, time and stay calm should an unexpected complication arise

Associate Dentist at Bupa Dental Care, Sale (*August 2018 – April 2022*)

- 🦷 Assisted with training and writing of expert witness testimonies so dental nurses could qualify during the pandemic.
- 🦷 Chosen to be Radiology Protection Supervisor
- 🦷 Carried out multiple radiology, medical history and antibiotic audits alongside the team
- 🦷 Experience with SOE Exact software, carrying out online referrals and using digital radiographs

Locum Dentist at Bupa Dental Care, Sale (*Sept 2017 – August 2018*)

- 🦷 Following my move from London, I joined to cover maternity leave for a colleague
