About Me:

I am an experienced dentist retraining as a Software Developer with *Manchester Codes* Bootcamp. I enjoy diagnosing problems and solving them, time-management, working with others and learning new things.

Since starting my coding journey I look forward to the challenges put before me. I love the comradery within the tech environment and am excited to further develop my career.

Currently seeking a role as a Junior Software Developer.

Technical Skills & Traits:

- JavaScript
- Node.JS
- React
- Agile
- TDD
- HTML/CSS
- APIs
- SQL, MySQL, SQL2
- Docker
- Postman
- Strong at diagnosing & problem solving
- Excellent listening and communication skills
- Able to explain complex jargon so the client understands
- Enjoy working in a team
- I regularly train members of staff
- Consistent time management

Education:

- Bachelor of Dental Surgery – King's College London (2011 – 2016)

Interests:

- Piano
- Crochet
- Spending time with my family at home and abroad
- Playing games: board games, PlayStation, or Duplo with my daughter.

Professional Experience:

Manchester Codes Software Engineering FastTrack – (May 2022 – expected finish October 2022)

- ✉ A 24 week part-time immersive bootcamp taught by current Software Developers
- ✉ Currently studying full-stack development including: HTML, CSS, JavaScript(ES6), GitHub, React, APIs, Express.js, MySQL, SQL2, Docker, Postman and much more
- ✉ Current Projects:
 - **Virtual Pet:** how long can your pet survive? A UI created using vanilla JS, html and CSS with regular pushes to Github,
 - **Music Library:** an asynchronous library management project that takes in CRUD requests and sends them to MySQL database. Created with an ExpressJS API and tested with Mocha, Supertest and Chai.

Associate Dentist at Poppies Dental Care, Stretford - (April 2022-present) GDC no. 265009

- 🦷 I am working part time as a predominantly NHS dentist whilst studying at Manchester Codes
- 🦷 I deal with a variety of patients of all ages, with all problems and questions, ensuring to explain complex dental jargon in layman's terms. I am professional, efficient, and friendly whilst managing fears, time and stay calm should an unexpected complication arise.

Associate Dentist at Bupa Dental Care, Sale (September 2017 – April 2022)

- 🦷 Assisted with training and writing of expert witness testimonies so dental nurses could qualify during the pandemic.
