Grosvenor Road, Urmston, M41 5AG

About Me:

After taking a break from dentistry, I started coding and fell in love with it. As of May 2022, I am undertaking a 6-month part-time web development bootcamp at Manchester Codes. I am currently seeking a role as a Junior Software Developer.

Bootcamp:

Manchester Codes Software Engineer FastTrack - (May 2022 - expected finish October 2022)

- A 24 week part-time immersive bootcamp taught by current Software Developers many of whom are graduates of the programme.
- Covers all aspects of software development including: JavaScript,, HTTP, CSS, Git, DOM manipulation, Test Driven Development (TDD), Jest, Debugging, Docker, Web applications, Express, Sequelize, React, ES6, Web requests, Sass, Git Flow, OAuth and much more.
- Will complete various projects along the course.

Qualifications:

Bachelor of Dental Surgery - King's College London (2011 - 2016)

- Completed '*A Repeat Clinical Audit of Adult and Paediatric Antibiotic Prescribing Practice at the University of Portsmouth Dental Academy (UPDA)*' in a team of four, 2015-2016
- 10-week Clinical Primary Care Placement at the *University of Portsmouth Dental Academy*, September 2015-June 2016
- Completed a *Demonstration of Procedural Skill (DOPS): Intravenous Cannulation*, July 2015
- Participated in the '*Peer-feedback with DOPS and Mini-Clinical Evaluation Exercise (Mini-CEX) as frameworks*' study, 2012-2013
- Multiple letters of commendation for professionalism (Gold and Silver)

Experience:

GDC Number: 265009

National Performer Number: 102554

Associate Dentist at Poppies Dental Care, Stretford (April 2022-Present)

- I am working part time as a predominantly NHS dentist whilst studying at Manchester Codes.

Associate Dentist at Bupa Dental Care, Sale (August 2018 – April 2022)

- Worked with and trained a number of dental nurses at various stages of their careers.
- Provided expert witness testimonies for dental nurses so they could qualify during the pandemic.

- Carried out radiology, medical history and antibiotic audits alongside the team.
- Chosen to be Radiology Protection Supervisor
- Experience with SOE Exact software, carrying out online referrals and using digital radiographs.
- Up-to-date CPR and safeguarding level 3 qualifications. I have Hep B immunity & I am vaccinated against COVID-19.

Locum Dentist at Bupa Dental Care, Sale (Sept 2017 - August 2018)

- Following my move to Manchester from London, I joined to cover maternity leave for a colleague.

Foundation Dentist at Alexandra Park Dental Practice, London (September 2016 - September 2017)

- Alexandra Park Dental Practice is a multi-specialist dental practice and referral centre providing both NHS and Private treatment.
- Gained experience in restorative work, crowns, bridges, acrylic and cobalt chrome dentures, extractions, along with single and multi-rooted root canal treatment.
- Familiar with CareStream R4 Software, wet film and digital radiographs.
- Attendance at weekly courses as part of my Dental Foundation Training including attendance at the Dental Oral Cancer, Paediatric Dentistry/Orthodontic, BSPD, BDIA and BDA Conferences.

Skills:

- Attention to detail
- Enjoy diagnosing and problem solving
- Excellent written and verbal communication
- Quick to learn new technology and equipment
- Able to adapt to a variety of different working environments
- Training members of staff.

Commendations:

- Awarded second prize in the Undergraduate Category at The Dental Institute Clinical Audit Half Day, June 2016.
- Finalist in 'Lions Den' Entrepreneurial Competition, June 2014
- 'Student Selected Topics' Gold Star Award in oral biology, 2012

About Me:

When I'm not working I enjoy spending quality time with my daughter, dog and husband. I like playing board, card and console games and visiting my friends and family.

Future:

I hope to move away from dentistry and find a path in software development. I am looking forward to learn new skills, work in a new environment and love my work.
